

## Greenwashing Picture 2

Welcome to the world of the new-look Golf GT. Voted Best New Engine 2006,<sup>1</sup> the GT's new TSI petrol engine puts out an impressive 168 bhp, and uses twincharger technology to propel you from 0–62 mph in 7.9 seconds. Yet, incredibly, it also does over 38 mpg, and emits just 175g of CO<sub>2</sub> per kilometre. More power, less pollution. Better to drive. Better for the planet. The new Golf GT TSI. Prices for the Golf GT TSI start at just £18,095 rrp, including 17-inch alloy wheels, twin exhaust, and a 6-speed manual gearbox.

To request a brochure text 'TSI' to 84118, or for more information, call 0800 333 666, or log onto [www.volkswagen.co.uk/gt](http://www.volkswagen.co.uk/gt), or simply

**Golf GT with TSI Petrol Technology.**
